6. Humeralmond ganz, Apicalmond unterbrochen, die vier Flecke getrennt. var. *sexmaculata* Beuthin. Catalonien.

II. Oberseite schwarz, sehr selten braunschwarz.

7. Oberseite schwarz, Humeralmond und Apicalmond nicht unterbrochen, die vier Flecke getrennt. var. *nemoralis* Olivier. Griechenland.
8. Oberseite schwarz, Humeralmond und Apicalmond nicht unterbrochen, erster und dritter Fleck zusammengeflossen, oft eine breite Binde bildend. (*Barthelemii* Dupont, *Ragusae* Fail). var. *barbara* Casteln. Catalonien, Sicilien.
9. Oberseite schwarz, Humeralmond und Apicalmond nicht unterbrochen, erster, dritter und vierter Fleck zu einer rechtwinkeligen Zeichnung zusammengeflossen, welche auf der linken Flügeldecke einer 7 gleicht. var. *lugens* Ragusa. Sicilien.
10. Oberseite schwarz oder braunschwarz, Humeralmond und Apicalmond nicht unterbrochen, erster, zweiter und dritter Fleck zu einer rechtwinkeligen Zeichnung zusammengeflossen, welche auf der rechten Flügeldecke einer 7 gleicht. var. *rectangulata* Beuthin. Catalonien, Frankreich, Sicilien.

Cicindela aphrodisia Truqui betrachte ich als eigene Art.

Litteratur.

The Entomologist; an illustrated Journal of General Entomology. Edited by R. South, with the assistance of T. R. Billups, E. A. Fitch, J. H. Leech, J. J. Weir, F. Buchanan White. Vol. 23. January, February 1890. No. 320, 321.

Inhalt:

Carrington, J. T., T. P. Newman, Valedictory. Pg. 1. — Hawes, F. W., Hesperia lineola Ochsenh.: an addition to the List of British Butterflies (with illustration). Pg. 3. — Gardner, W., Notes on Agrotis Ashworthii. Pg. 5. — Hudson, G. V., An Entomological Tour on the Table-land of Mount Arthur. Pg. 8, 52. — Tutt, J. W., Contributions towards a List of the Varieties of

Noctuae occurring in the British Islands. (Cont.) Pg. 12. — Still, J. N., A Summer's Mothing on Dartmoor. Pg. 14. — Entomological Notes, Captures etc. Pg. 16, 65. — Societies. Pg. 21, 72. — Reviews. Pg. 24. — Leech, D. H., New species of Lepidoptera from China. Pg. 26. — Bennett, W. H., Coleoptera at Camber during 1889. — Spiller, A. J., and Whittle, On the occurrence of Hesperia lineola in Essex. Pg. 56. — Standen, R. S., Rhopalocera in Switzerland. Pg. 57. — Richardson, N. M., On the variation of Heliophobus hispidus at Portland. Pg. 60. — Arkle, J., Gas-lamp Entomology. Pg. 61. —

Wie sich aus vorliegenden Nummern ergiebt, ist die Redaction dieser Zeitschrift, welche während eines Zeitraumes von mehr als 13 Jahren von J. T. Carrington geführt wurde, mit dem Jahre 1890 auf Richard South übergegangen.
